WARRANTY

LOUVERS

(MODELS L-1, LE-1, LE-2)

Air-Rite Manufacturing warrants this equipment to be free from defects in workmanship and material for the period of one year from the date of shipment. Any proven defect during the warranty period will be replaced upon receipt of the defective item. Air-Rite Manufacturing will not be responsible for any labor associated with the removal or the replacement/installation costs, of any kind.

Any alterations/modifications to this product by anyone other than Air-Rite Manufacturing will void this warranty.

Air-Rite Manufacturing, LLC reserves the right to change or modify specification and standards without notice.
